

## About BMCHRC

Established in 1997, BMCHRC is a 300-bed, NABH and NABL accredited super-specialty cancer hospital located in Jaipur, Rajasthan. Managed by the K.G. Kothari Memorial Trust, the hospital was founded with the mission to provide affordable cancer care with a human touch. It has grown from a modest 50-bed facility to a leading institution in oncology care over the past decades. [bmchrc.org+1](http://bmchrc.org+1)

---

## Mission & Vision

- Mission: To provide affordable care with a human touch to all sections of society, irrespective of economic considerations.
